Amplifies Sexual Pleasure.

Adjustable Arms and Tabs for a Custom Fit

Generates Stronger Longer Orgasms.

Hands-Free Pleasure

Made With FDA Approved Phthalate Free Materials

UPC 850040572094

The Psy takes its name from psyche, the ancient Greek word for butterfly, one of nature's wonders that has long symbolized freedom, transformation, beauty, and love. The Psy follows the legacy of much of Aneros' early product development, originally inspired by nature.

Like all Aneros massagers, the Psy is anatomically designed to work in harmony with your body. Excellent for intermediate and advanced users and those who desire the options of stronger or more subtle external stimulation, the Psy is in a class by itself. Whether it's pleasure amplification, stronger ejaculations or more powerful Super Orgasms... it's Psy on!
